

Cockton Hill Infants' School

Digital Literacy and Citizenship

	<u>Unit</u>	<u>Foundation Stage</u>	<u>Year 1</u>	<u>Year 2</u>
Safety and Security	Safety 	Pupils learn that the Internet is a great place, but they also learn to be cautious. They learn that computers can be used to visit far-away places and learn new things and that staying safe online is similar to staying safe in the real world.	Pupils learn that the Internet is a great place to develop rewarding online relationships and learn to recognize websites that are good for them to visit; but they also learn to be cautious and to check with a trusted adult before sharing private information.	
	Security 			Pupils learn to make good passwords for their accounts, learn about spam and how to deal with it. They begin to understand the implications for the information that they share online and how some websites might use that information without their knowledge.
Digital Citizenship	Digital Life 	Pupils are introduced to the concept that real people send messages to one another on the Internet and learn how messages are sent and received. They recognise that it may be difficult to distinguish between someone who is real and someone who is not.		

	Privacy and Digital Footprint 		Pupils learn that the Internet is a public space, and then develop skills to protect their privacy and respect the privacy of others.	
	Connected Culture 		Pupils explore how they interact with others online and are introduced to the concept of cyberbullying.	They also learn how to communicate effectively to prevent miscommunication in order to be a responsible member of a connected culture.
	Self-Expression and Identity 			
	Respecting Creative Work 			
Research and Information Literacy	Searching 		Pupils are introduced to the basics of online searching.	Pupils are introduced to the basics of online searching, including how to use effective keywords. They also learn to conduct searches that provide them with the most helpful and relevant information.
	Research and Evaluation 	Pupils learn to explore websites and to say whether they like them or not and why.		Pupils learn skills for evaluating websites, online information, and advertising, and learn to identify different types of online advertising.
