

5<sup>th</sup> June 2015 - Weekly Newsletter

### Operation Brazilian Rescue

On Tuesday the year 2 children worked with Chris and his team from 'Thrills and Skills for Life'. This exciting day enabled children to learn about the rainforests of Brazil and how the UN operate in order to protect these forests from illegal logging. The children dressed in military uniform and worked in teams to carry out a range of tasks including rebuilding damaged rainforests, building protective fences and shelters gaining an understanding of how the UN work with other countries to improve and resolve situations. As this was such a successful day Chris and his team will be returning for more projects in the future.

### Headlice

Please be vigilant checking your child's hair **every** week as we have had several cases of headlice recently. Please see our website for more information on treatment.

### Cool Milk

From September 2015 school will no longer be getting the children's milk from the Cool Milk company, so any parents who currently pay for this service will no longer be required to do so. Further information will be sent out in the next few weeks, Thank you
