

### 8<sup>th</sup> January 2016 – Weekly Newsletter

### **Homework**

We would just like to politely remind all parents about Mathletics. Mathletics is part of the children's numeracy homework programme. It can be accessed at <a href="http://www.mathletics.co.uk/">http://www.mathletics.co.uk/</a> and the children have their login details on the back of their reading record.

We can already see a huge amount of progress from children that regularly access Mathletics. It is fun, interactive and engaging. The children are also rewarded for their efforts with certificates. If you have any problems accessing it do not hesitate to contact Mr Cuthbertson.

### Netbook Share Scheme

We are please to offer the Netbook Share Scheme to the year 2 children next week, followed by year 1 and then Early Years children. A great opportunity to take a school netbook home for a week to improve and practice ICT skills and gain points on Mathletics. You will need to have to Wi-fi to access the internet, but many places offer free Wi-fi around the town.

### Notices at the school gate

Your children feel very strongly about no smoking or swearing around the school gate and have been designing and making posters to remind everyone. Watch out for them!

### Congratulations to this week's achievers:

### **Attendance**

Our overall attendance last term was **97%** which is absolutely fantastic. A big well done to everyone!

We have some brilliant activities for the children this term that all children will enjoy being involved with.

### Feb Fest 2016

We will be participating in Feb Fest again this year and creating a piece of art which will be exhibited in the market place. We are looking for any white clothing to be decorated by the children. Thank you!

As the weather is very still very wet and cold please ensure your child is dressed appropriately. Thank you!
