

11th March 2016 - Weekly Newsletter

Sport Relief

Next Friday is Sport Relief day and our children will all 'run a mile' around our track!

We will be selling the official Sport Relief wristbands from Monday. We have enough for each child to buy one, so if you would like to send in £1, the proceeds will go to Sport Relief. Thank you

Medical Appointments

At times it is unavoidable to take your child for medical or dental appointments during the school day. However, please only keep your child away from school for the duration of the appointment. Regular attendance has such an impact on children's progress. Thank you.

Fairtrade Fortnight (29th February – 13th March)

School had an assembly led by Mrs Harnaman where the children found out about the principles of fairtrade – a fair deal for farmers in deprived countries ensuring that these people are able to feed their own children. Our pupils understand that it is a right of all children to "nutritious food and rich countries should help poorer countries achieve this." Article 24
