

13th March 2015 - Weekly Newsletter

Red Nose Day

Thank you for all your contributions towards 'Red Nose Day'. We have sold over 200 red noses, and are now sold out. The children have enjoyed an assembly and now understand the reason why we raise money which is to help people who live in poverty in the UK and in Africa.

Children have joined in with Red Nose Day activities and face painting having lots of fun.

Science Week

Remember to come into school next Thursday 19th March between 1.30pm – 3pm to see your child involved in some exciting science activities.

Look forward to seeing you all.

Sponsored Run

We have decided to raise money for each class to spend on something special for their classroom by doing a Sponsored Run/Walk in the last week of this term. We'll be using our school field and the children, staff and playgroup will all take part in this activity. We hope to run or walk the equivalent of Cockton Hill Infants' School to Buckingham Palace in London.

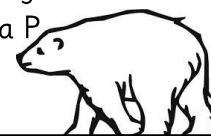

Further details and sponsor forms will be sent out next week. We hope you will support us.

Congratulations to this week's achievers:
