

## 13<sup>th</sup> May 2016 – Weekly Newsletter

### Ofsted Inspection

As you are all aware, we had 2 inspectors in school this week, one an Ofsted Inspector and the other an HMI. Thank you so much to every parent who expressed their views on Parent View or who spoke directly to the inspectors at the school gates. Your children's behaviour and attitude throughout the inspection was exemplary and I thanked them all in assembly today. The report will be published in approximately 3 – 4 weeks and I will inform you all when it is available. Many thanks for your support.

### Pupil Voice

Two weeks ago the teachers met groups of pupils from each class and listened to their views on a range of school issues from activities for playtimes to how we teach different subject areas. They had lots of interesting ideas and suggestions, some of which we will introduce immediately:

- Equipment outside at playtimes – soft play on no-mow grass.
- Buddies – Year 2s to train up Year 1s this term.
- More outdoor literacy/numeracy/science in Year 1 and Year 2
