

## 16<sup>th</sup> January 2015 - Weekly Newsletter

### Results of Parental Questionnaires

Thank you to everyone who responded to our questionnaires - out of 145 families we have had 52 responses and overall we had very positive comments:

- 98% feel their child is happy at school
- 100% say their child feels safe and is well looked after in school
- 100% feel their child is taught well and makes good progress
- 98% agree that pupils are well-behaved and school deals effectively with any bullying or concerns raised
- 100% say the school is well-led and managed

Parents in EYFS asked for more feedback on their child's progress so reports were sent out just before Christmas.

More information on school meals was requested - menus are now printed on the weekly newsletter.

We will be holding progress meetings for parents in February and appointments will be offered in the early evening too in order that parents who work during the day can attend.

Further information regarding homework will be given out at these meetings
