

20th November 2015 – Weekly Newsletter

This week has been very busy in school once again. We have had lots of visitors working with the staff and children:

- Monday we had **Yvonne** from the Wear Valley Christian Association who brought **Joy from South Korea** to talk to the children in Classes 3 and 4 about life in that country. The children had prepared lots of questions and enjoyed finding out about animals, schools, clothes and food.
- Rev Rowe** the Baptist Minister did an assembly for the whole school Tuesday about the importance of light for different religions – Christians say that Jesus is the light of the world, and it linked with the topic of Diwali, the Hindu festival of light.
- Rio Floreza** the “bike man” from Sustrans also focused on light when he worked with each class on Thursday morning – this time it was staying safe on these dark mornings and evenings coming to and from school. The children learned to “Be bright wear something light.” Good advice!
- Ben and Jet** also came into school yesterday with their handler, Claire and our PCSO Ian. Their message was also about staying safe, following the rules and looking after one another.

All this in addition to their usual lessons! I am sure you will agree your children have a rich, interesting and varied curriculum!

I am proud to say that **ALL** of our visitors commented on the excellent behaviour of your children and the warm and welcoming atmosphere of the school.
