

## 23<sup>rd</sup> October 2015 – Weekly Newsletter

### Durham Cathedral

We enjoyed our visit and had a wonderful guided tour. We learnt so much about Saint Cuthbert and the story of how the Durham Cathedral was built as a resting place for his body. We were shown the stained glass windows and many included our much loved Northern Saints. The saints were inspirational and St Cuthbert was one of the first eco-warriors which is something we strive to be at our school. We did some observational drawing after our lunch and one passer by from overseas commented on how well behaved our children were. A great day...and a lovely dinner in the cloisters!

### Halloween

We enjoyed Freaky Friday on the last day of half term. Everyone made a huge effort with their costumes and we got to sample some Halloween treats including, demon dip, witches warts, spooky scabs and tasty toenails. We made up potions and joined in with Halloween arts and crafts to make sure the day was a real spooky experience!

### Mathletics

Just a reminder that Mathletics is still available for the children during the holidays. It can be accessed on computer or iPad using the children's username and password located on the back of their reading record.

### Poppy Appeal

From Monday 2<sup>nd</sup> November we will have poppies and a selection of poppy themed merchandise on sale for 50p - £1. All money raised will go directly to the Royal British Legion.
