

## 29<sup>th</sup> January 2016 – Weekly Newsletter

### PDSA

On Friday we had a visit from Tina who works for PDSA. She talked to each class about how they help people in need by providing free vet services to their sick and injured animals, and promoting responsible pet ownership. The children enjoyed learning new things about PDSA and were rewarded with booklets, gifts and stickers.

### Thrills and Skills for Life

Year 2 children enjoyed working with the Thrills and Skills for Life team on Thursday. Their mission was Operation Brazilian Rescue and they had to save the trees, plant new ones, build dens and set traps. All the children took part with the problem solving activities even though the weather was inclement. A great day!

### Thank you

To all the parents who were able to come along to our Open Days this week. It was a different format and we hope you all felt it was a positive change – certainly the feedback on the Parent/Child questionnaires was wonderful to read. The staff and children work really hard together and this is evident in the books you all enjoyed seeing.
