Safer Internet Day (E-safety)

In school this week we have had a big focus on children staying safe online, both at home and at school. The children made posters which we have displayed around the school. This is such an important area to reinforce – we have attached a 'Parents Guide' for your information.

Healthy Eating for Year 2

The Year 2 children participated in a healthy eating workshop this week. The workshop was provided by Warburtons and Miss Renyard lead the morning. The children found out about the history of the bakery and huge job of running the Warburtons factory. Miss Renyard talked about food waste and showed the children how to wash their hands correctly! Next the children sampled various types of bread wearing special hair hats and aprons, just like in the factory. The making of health sandwich was great, we hope the children enjoyed them at home. Lots of healthy salad was tried and tasted by all. Well done Bakers!
