Locomotion Museum Trip

Year 1 and Year 2 children visited the Locomotion Museum on Wednesday to see Tim Peake's Spacecraft. The children listened to a short talk and asked questions about this fascinating expedition. They saw the space suit and some had pictures taken when they walked around the rest of the museum to see the trains and other displays.

PDSA Visit

Yesterday we had a wonderful visit from the PDSA. We started the day with a whole school assembly and then each class and the nursery attended a workshop. The workshops were very informative teaching our children about animal welfare and how to care for our pets.

Cycling Coaching within school

This morning a small group of Year 2 children started the first of their cycling training sessions with Mr Raine. Over the next 4 weeks they will work to improve their cycling skills and confidence. Later in the year there will be more sessions for other children and year groups to take part in cycling coaching.

Congratulations to this week's achievers:
