

## Year 1 Home Activities

Below is a selection of activities that your children can enjoy completing at home.

<p>What is your favourite colour? Collect items from around your house that are this colour and place them in a line, in size order. Which is the smallest? Which is the largest?</p>	<p>Learn the words to a song that you like and perform it.</p> 	<p>With help from your family, collect 5 items from around the house. Predict whether they will float or sink if put into water then test and see if your predictions are correct.</p>
<p>Describe your favourite toy. What does it look like? What is it made from? Does it move?</p>	<p>Using a map, find the countries that make up the UK. In school this half-term we learn about the seaside. Can you draw 10 things that you might expect to find at the seaside.</p>	<p>Draw pictures to show different emotions. A smiley face for a happy feeling.</p> <p><u>Challenge: Use colours for each emotion e.g. blue for the sad emotion.</u></p>
<p>Ask your family to show you some photographs of you as a baby. How have you changed? Is anything else different?</p> 	<p>Help your family to write a shopping list.</p>	<p>You are amazing! Write some sentences of things that you can do.</p> <p>e.g. I can run. I can draw.</p>
