

12th March 2021 – Weekly Newsletter

Welcome back

It has been so wonderful to have all of the children back in school. We have missed them an awful lot. It has been lovely to see friendships continuing where they left off and children enjoying their learning. We are all very proud of their efforts this week because they really have worked so hard. Attendance this week has been excellent, and it would be nice to see this continue into the summer term.

World Book Day

As you can see by the photos the children had a fantastic time celebrating World Book Day. It was definitely worth the wait. The children have been taking part in book related activities all day. What a lovely way to end the week.

Wings of kindness

Thank you to everyone that has brought back the decorated feathers for the Wings of Kindness project. We have been stunned by the creativity of the children. It has also been very nice to read the kind words that children have written on the back of the feathers. Kindness is very much valued and promoted in our school. Well done everyone!

Congratulations to this week's achievers:
