Chick Update from Reception

In our first week with the living eggs we have seen 9 chicks hatch! The children are very excited to care for them next week and watch them develop further.

Polling Day

On **Thursday 6th May** the school is being utilised as a polling station. As a result of this, we will be closed all day. School will be open as usual on Friday 7th May.

Nursery Facebook

We have recently created a dedicated Nursery Facebook page. We will be using this post information and updates about what the children have been learning in Nursery. Make sure you like and follow the page.

The Big Pedal

The children made a fantastic effort this week coming to school on bikes and scooters. Our bike storage has been full all week! We are very pleased to see the children being so active. In school we have been promoting healthy choices and exercise. Well done!

Congratulations to this week's achievers:

It is very important that children attend school regularly and punctually. Missing just a few days of school can have a significant impact on progress and achievement. Our catch-up curriculum can only be successful if the children attend school. In the coming weeks we will keep you updated regarding attendance in school.

Please remember to read with your child at home because it makes such a difference and return to school each day.
