### Outdoor Classroom

This week the children have really enjoyed their outdoor classroom days. They have been toasting marshmallows around a fire, making a nature picture from natural materials, cooking pizzas, mirror walks, water play and exploring our forest school. The learning going on in these activities is a joy to watch as we see their vocabulary develop, their resilience grow and their physical skills improve. It has been such a positive experience for everyone involved. As usual, the behaviour of all of our children was fantastic. They are a real credit to you and to our school. Well done everyone!

### Transition

A number of parents have asked me about the children's transition into the next class or indeed into the Juniors. COVID19 makes this unusually difficult, but please be assured that we are working hard to come up with a plan for children to complete some transition work prior to moving classes/ schools. As soon as we know more we will let you know.

Congratulations to this week's achievers:
