

11th June 2021 – Weekly Newsletter

Froglets

The children in Reception have been learning all about life cycles this week. They have observed the tadpoles turn to froglets and then finally frogs. We now have caterpillars in school and the children in Reception will be closely watching their life cycle.

Reading Books

It is absolutely essential that children bring in their reading books every day. It is also helpful if you can read at home 2 or 3 times a week. Thank you for your support.

Transition

The children in Reception and Year 1 have had their first transition sessions in school. They got to explore their new classroom and got a little taste of what September will bring.

England vs Scotland (Euro's Football Tournament)

Next Friday (18th June) we are having a sports themed non uniform day in recognition of the England vs Scotland match that will be played later that day. **£1 donation for non uniform/sports wear** and all children will be given an Ice Pops. The children will take part in some sport themed games and be able to listen to some music throughout the day.

Lets get behind the teams representing their countries in the Euro's. Hopefully 'Football is coming Home'!

Congratulations to this week's achievers:
