

9th July 2021 – Weekly Newsletter

Three Lions

We all have our fingers crossed for Sunday night in the hope that England can win the Euros final. If we do win then you can guarantee that we will celebrate this in school on Monday. There are lots of lessons to learn from the progression of the England team including determination, resilience and British values. Rest assured that we have been talking about all of these things with the children.

Graduation

We had some mixed feelings at our Year 2 Graduation this week. Whilst it was fantastic to see the Year 2 children look so grown up and ready for the Junior school, we will be very sad to see them leave. When I looked around the room I could see children that have been with us since nursery. I truly hope that they have enjoyed our time with us. It has been an absolute pleasure to have every one of them in school.

Today the Nursery children moving into Reception had their Graduation. They did fantastically well during the ceremony, behaving impeccably. They also got to have another little party afterwards. We can't wait to see them continue on their journey in our school.

Nursery Summer Party

Our Nursery children enjoyed their summer party this week, playing party games and dancing. They also had a special visitor in school to party with them - Peppa Pig! It was wonderful to see their faces when Peppa came in to see them. It was so exciting that they needed to cool down with an ice cream from the ice cream van afterwards. What a fantastic day!

Congratulations to this week's achievers:
