Jeans for Genes Day

It has been wonderful to see our children getting involved to raise money for a very worthy cause. As you can see they had lots of fun today making biscuits, colouring-in and dancing! Thank you all for your support in sending in the donations.

Attendance

After the recent disruptions to children's education, it is very important that the children attend school regularly. As a school, we are keeping a close eye on attendance and rewarding those that regularly attend. Children with 100% attendance each get a sticker on a Friday. The class with the best attendance of the week are rewarded with extra playtime.

As parents, you have the responsibility of ensuring that your child attends school. Whilst we ask that any child with COVID19 symptoms isolates until tested, children with colds and very minor ailments should attend school as normal. We are a nurturing school and will always send home children who are unwell.

As a school, we are looking to keep parents more informed about their child's attendance. We will be updating parents via letters and text updates on a regular basis.

Please remember to write your child's names on their clothing. It is very difficult to find lost jumpers without names on them. Thank you.
