

24th September 2021 – Weekly Newsletter

Congratulations to this week's achievers:

Harvest Festival

The children across school are all working hard to practise their harvest songs for our harvest festival. Whilst we are unable to invite parents into school for this, we are going to record the service and we will text out a video link for parents to see. So far the children are doing such an excellent job. From Monday 27th September we will be collecting non-perishable food donations for the harvest festival. All donations will go to woodhouse close church food bank.

Soundswrite

The children in Reception, Year 1 and Year 2 have been participating in soundswrite phonic sessions since starting back in school. Soundswrite is a phonics scheme for children to learn how to read and spell. In the coming weeks, we will be sending out some further info including videos regarding soundswrite, so that you are able to support your child at home with their reading.

Open Days

Our teachers are looking forward to talking to parents in Reception, Year 1 and Year 2 during class open days next week. Your child's class teacher will call you on your first or second choice time (unless they have been in contact to indicate otherwise).

As you can appreciate teachers have a large volume of calls to get through, so conversations are limited to 10 minutes.

Jumpers

Please could all parents ensure that all jumpers/ cardigans have children's names on the label. It is much easier to find items of lost clothing when they are labelled. For Reception, it is also useful to have children's names in shoes if possible.

Thank you.

Please remember Individual School Photographs on TUESDAY 28th September. Thank you.
