

## PE Progression in EYFS End of Year Expectations

The EYFS framework is structured very differently to the national curriculum as it is organised across seven areas of learning rather than subject areas. The aim of this document is to help subject leaders to understand how the skills taught across EYFS feed into national curriculum subjects. This document demonstrates which statements from the 2020 Development Matters are prerequisite skills for PE within the national curriculum. The table below outlines the most relevant statements taken from the Early Learning Goals in the EYFS statutory framework and the Development Matters age ranges for Three and Four-Year-Olds and Reception to match the programme of study for PE. The most relevant statements for PE are taken from the following areas of learning:

- Personal, Social and Emotional Development
- Physical Development
- Expressive Arts and Design

- Select and use activities and resources, with help when needed. This helps them to achieve a goal they have chosen or one which is suggested to them.
- Increasingly follow rules, understanding why they are important.
- Do not always need an adult to remind them of a rule

- Enjoy starting to kick, throw and catch balls.
- Walk, run, jump and climb – and start to use the stairs independently.
- Spin, roll and independently use ropes and swings (for example, tyre swings).
- Sit on a push-along wheeled toy, use a scooter or ride a tricycle.
- Continue to develop their movement, balancing, riding (scooters, trikes and bikes) and ball skills.
- Go up steps and stairs, or climb up apparatus, using alternate feet.
- Skip, hop, stand on one leg and hold a pose for a game like musical statues.
- Use large-muscle movements to wave flags and streamers, paint and make marks.
- Start taking part in some group activities which they make up for themselves, or in teams.
- Are increasingly able to use and remember sequences and patterns of music that are related to music and rhythm.
- Match their developing physical skills to tasks and activities in the setting. For example, they decide whether to crawl, walk or run across a plank, depending on its length and width.
- Choose the right resources to carry out their own plan. For example, choosing a spade to enlarge a small hole they dug with a trowel.
- Collaborate with others to manage large items, such as moving a long plank safely, carrying large hollow blocks.
- Show a preference for a dominant hand. Be increasingly independent as they get dressed and undressed. For example, putting coats on and doing up zips.
- Around their 2<sup>nd</sup> birthday, can a toddler run well, kick a ball, and jump with both feet off the ground at the same time?
- Around the time of their 3<sup>rd</sup> birthday, can the child climb confidently, catch a large ball and pedal a tricycle?

- Respond emotionally and physically to music when it changes.
- Move and dance to music
- Respond to what they have heard, expressing their thoughts and feelings.
