

5th November 2021 – Weekly Newsletter

Neighbours

Please ensure that you consider our neighbours during drop off and collection times. We understand that many people need to drive to school but I would ask people to park considerately. Similarly, I would ask all parents to consider noise levels and disruption to our neighbours particularly early in the morning. Empathy and respect are an important part of our values in school and this extends to the community around us. Thank you for your support with this matter.

COVID19

There has been a large increase in the number of children and young people in County Durham testing positive for COVID-19 and the highest case rates are in school-age children. This is leading to the spread of COVID-19 within families and into older age groups. The increase in COVID-19 cases in children is disrupting their education, affecting schools and has an impact on the wider community. We are monitoring the situation closely, but I wanted to reassure you that we have some robust measures in place to stop the spread of COVID19 within school. These include additional cleaning and disinfecting and year group bubbles. Unfortunately, one of the measures we will need to continue to adhere to is limiting parental visits into school. However, despite this, we will continue to do our best to involve parents in school life and events as much as we can.

Congratulations to this week's achievers:

Awards for week ending 05-11-2021

| | Kindness | Pupil of the week | Learner of the week |
