## Bling Your Bike Day

We have been absolutely blown away by the effort for Bling Your Bike Day! We have seen bikes and scooters decorated with tinsel, lights and lots of weird and wonderful things. The suspicion is that the parents have enjoyed this just as much as the children - I certainly hope so! The day has been an overwhelming success and it was great to see the children coming to school in an environmentally friendly and active way. Thank you so much for all your efforts. I am sure that you will agree that the photos from the day are fantastic.

## Christmas Excitement

This week the children have been very excited (as they normally are) on the run-up to Christmas. During carol singing practice they were very enthusiastic and it has been a pleasure to see. In the coming weeks, we have lots of Christmas fun and learning coming up such as the Christmas fair, the recording of the carol service and many more treats. Don't forget that the children may dress festively on Monday for the recording of the carol service. They may wear tinsel in hair, Christmas jumpers, Santa hats or whatever else you may have that is festive.

## Congratulations to this week's achievers:

## Reading Books

We cannot stress enough the importance of children reading at home and bringing their books in every day. Research indicates that parental involvement in reading has a positive impact on achievement. This does not have to be too onerous, two or three pages three times a week is sufficient. This could be built into the child's routine such as reading before bedtime or reading right after tea. If you require any further advice on reading please see Mr Cuthbertson and he will be happy to help.

Please be mindful of your parking and driving during drop-off and collection times.
