

14th January 2022 – Weekly Newsletter

Reading

This week it has been fantastic to see the efforts children have put into their reading. The vast majority of children have remembered their books every day. Children have also been reading more regularly at home judging by the number of tickets in our reading raffle. Several children in each year group won a prize this week and we will continue with this on a regular basis. Regular reading will almost certainly result in increased progress in this area and I wanted to thank you all for playing your part in this.

Parking

Please ensure that you park considerately when dropping off and collecting children. Sometimes parents and children have to walk onto the road because of inconsiderate parking, which is potentially dangerous. Our local PCSO's will be coming out regularly to monitor the situation.

COVID-19

Don't forget that any information regarding positive tests for COVID-19 should be reported to the school email at cocktonhillinfant@durhamlearning.net or by responding to the text that was sent out this week. We are doing our best in school to stop the spread of COVID19. Unfortunately, this may result in some disruption to some of the usual activities. We will continue to keep you informed.

Congratulations to this week's achievers:
