

## 21<sup>st</sup> January 2022 – Weekly Newsletter

### Reading in school

We have had a wonderful response to our reading raffle in school. Many of our pupils are meeting the target of reading at home 3 times a week. Some are even exceeding this target regularly. Children are also bringing their books and reading records to school more regularly. It is wonderful to see the excitement for reading in school from pupils. Don't forget that we also have a book club in school, where children can bring in 50p each week until they accumulate enough to buy a book. On average, the books in the book club are only 2 or 3 pounds.

### Mental Health Week

Week beginning 7<sup>th</sup> February is Children's Mental Health Week. We are working hard in school to plan lots of meaningful activities around mental health and well being. It is going to be an exciting week for the children in school and we hope that they are looking forward to it just as much as we are.

### Punctuality

Attendance and punctuality are extremely important to us. In the coming weeks, we are going to target punctuality in particular with those that are consistently late. Pupils that are late miss key pieces of learning which could impact their progress and achievement. Pupils that are even just 10 minutes late a day, miss almost an hour over the week. I would ask for your support in getting the pupils to school on time ready to learn.

### Congratulations to this week's achievers:
