### Defibrillator

We are very pleased to announce that the school have been donated a defibrillator from a very kind member of the community. Whilst we hope that we will never have to use it, it will give us a good piece of mind knowing we have it available. Defibrillators save many lives every year.

### Balls

We would politely ask that children no longer bring footballs into school. Some of these balls were made from particularly hard leather and we have had a number of accidents caused by them. We have purchased lots of new break time play equipment for the children (including footballs) so they should have plenty of things to do to keep them occupied.

### Children's Mental Health Week

We have all had a wonderful time in school this week participating in activities for Children's Mental Health Week. Some of the favourites of the children included "forest bathing" and meditation. It has all been topped off today with some colourful outfits for Dress to Impress day.

Congratulations to this week's achievers:
