

11th March 2022 – Weekly Newsletter

Mr Thompson

Today was Mr Thompson's last day with us at Cockton Hill Infants'. Mr Thompson has been with us for almost 7 years and has had a big impact on the children in school. He has worked across school delivering PE, movement groups and supporting pupils in class. We are very sad to see him go but would like to wish him all the best for the future.

Reading Expectations

I just wanted to give a polite reminder that the expectation is that children read 3 times a week at home with a parent, relative or older sibling. It is good to get into a routine of doing this at particular times (just before bedtime for instance). Research indicates that parental involvement in reading has a big impact on achievement, so do not underestimate the big impact you have. Home reading should be recorded in your child's reading record.

Open Days

We are delighted to be able to hold open days for all year groups. These are coming up very soon and we are looking forward to sharing your child's successes with you.

Congratulations to this week's achievers:
