### After School Clubs

It has been fantastic to get after school clubs underway again including Reception's first after school club. Reception have enjoyed their first session of the Bedtime Readers Club working on the book "The Smartest Giant in Town" and had a fantastic learning experience. Year 1 have had to put on their lab coats to start their Science Club with the first session looking at the flight of paper aeroplanes. Finally, Year 2 have had to put on their aprons for their cooking club, making delicious treats during the first session.

These learning experiences are so valuable for the children and we look forward to seeing them in future sessions. Demand for all clubs has been high, so if your child hasn't got a place this time then we will prioritise them for the next club.

### Jubilee

We are very much looking forward to our Jubilee Picnic in the Park and we hope you are too. It promises to be a fantastic celebration and we hope that you are looking forward to it as much as we are!

In addition to this event, we will also be completing a Jubilee Jog at school on Wednesday 25<sup>th</sup> of May. This will be a sponsored event where we hope to raise money for a local charity - The Angel Trust. The Angel Trust work in the local area providing support for families in need. We believe that this is a very worthwhile cause. Further details will be sent out very soon.

### Reading

Please remember that it is the expectation that children read at home 3 times a week. This has a huge impact on their achievement in this area and is also a good way to wind down at the end of the day.

### Congratulations to this week's achievers:
