

6th May 2022 – Weekly Newsletter

Run a Mile

The children in Year 1 and Year 2 have restarted our "Run a mile" every afternoon break time. Each child runs or walks around our green area looking to do 15 laps or more over the 15-minute break. The 15 laps equate to one mile, and the children count up their laps over the week. It is a great way to get some exercise and fresh air and the children have been learning all about the benefits of regular exercise. In the coming weeks we hope to add together all of the children's miles and see how far across the country/ world our miles can take us!

School Values

As many of you will have had multiple children attend our school over the years, I would hope that you have a good feel of our vision and values. However, I am conscious that we do have some relatively new families and I think our newsletter is a great way to communicate to you our school values. My intention is to communicate our values regularly. One of our very important school values is nurture. Being an infants' school means that our staff are very experienced working with young children. We all understand the importance of a nurturing environment to promote good mental health and excellent academic progress. You will see this come across in our interactions with every pupil in school. This helps our pupils to feel safe and secure.

Our nurturing ethos is also engrained in the pupils' interactions with each other. Our behaviour policy is engrained in something called the restorative approach. This approach encourages pupils to reflect on their actions and the impact of them on other people. In practice this works fantastically well and our pupils are very well behaved.

Congratulations to this week's achievers:

Transition

It is coming up to the time of year where we are thinking about the transition of children into a new year group, or indeed into a new school. Rest assured that we are busy planning transition events to make pupils' transitions as smooth as possible. We are working closely with the Junior School for the transition of year 2 pupils. We are also planning transition events for pupils in Reception, Year 1 and our Nursery. We will send further information once those arrangements have been confirmed.
