

10th June 2022 – Weekly Newsletter

Summer Half Term

This half term is often a favourite with pupils and teachers. It is the time of year when we can hopefully enjoy some good weather and do much of our learning outdoors. We also have some exciting events coming up such as sports day and outdoor classroom day. All of this makes for a very busy, but very engaging time in school. We also have the graduation of pupils in Nursery and Year 2 to look forward to and of course the leaver's concert.

Parking

The parking situation around the school has on occasion been very dangerous for pupils and parents. I know some parents are concerned about this and I have also voiced my concerns. I will be asked the PCSO's for increased presence to monitor this situation. I would like to ask all parents to park and move considerately in their cars when dropping off/ collecting pupils. I would also urge parents to walk to school with their children if they live very close by. A reduction in traffic should make this safer for all.

Congratulations to this week's achievers:

School Vision – Vocabulary

As previously mentioned I wanted to communicate our vision and values to parents in this newsletter. Today, I wanted to talk about vocabulary. Vocabulary is a key element of learning and understanding. For this reason, it is a key part of our vision for pupils. In school, we are developing vocabulary maps for each subject area so that children get a very clear progression of vocabulary as they move through school. Our pupils revisit key vocabulary to reinforce their understanding to help them master a subject area. School leaders and governors monitor this through conversation with the children.
