

17th June 2022 – Weekly Newsletter

Sunny Weather

It has been wonderful to see some sunny weather over the last week. We have certainly been making the most of it at school, taking some of our learning outside. Can I please remind parents to apply sun cream to children before coming to school so that they have some protection for their skin.

Forest School Area

This week we have had some young people from the Princes Trust working in our forest school area, as part of their community project. They have done such an amazing job, establishing some of the paths and renovating our pond with a viewing window and fence. The children have certainly enjoyed watching them closely and quizzing them about their work. I would just like to take this opportunity to thank them for their hard work on the project.

Sports Day

Next week on Wednesday 22nd June it is our annual sports day. I look forward to welcoming all of you to a morning of exercise and fun. The running order is as follows:

Nursery (3 & 4 yr olds) - 9.00am Reception - 9.45am Year 1 - 10.30am Year 2 - 11.15am

We will have a seated area for spectators and I would welcome you to come and watch. For safeguarding reasons I politely request that you stay in this area. Your children will be well cared for and will be able to give you a wave. Fingers crossed for some good weather.
