Pop-up Library

Our Pop-up Library is back open again with some new additions. Every Thursday this half term the children in Reception and Nursery will be able to borrow a book. Each Friday it will be Year 1 and Year 2 children that will be able to pay us a visit to borrow a book. The day could change across the half term, but we will keep you informed.

We also have some big plans for some promotions and rewards for children that visit our library regularly. Watch this space!

After School Clubs

The half term's after school-clubs got underway this week. Some Year 2 children attended a multi-skills clubs planned by Rob Proud - Fitness Coach. I watched some of the club and it was great to see the children so active and having so much fun. The next day some of the children told me that they had "loads of fun" and that "building the shelter with hoops was really cool". Similarly, some of our Reception children attended a multi-skills club. This had a big focus on movement skills and gamesmanship. The children told me that it was "really cool". It certainly looked like a lot of fun.

Some of our children in Year 1 started their Lexia club this week. Many of them were able to complete a unit and were rewarded with a certificate in assembly.

We like to try and give some broad experiences with our after-school clubs. If any of you have any suggestions as to what clubs you would like to see in the future, please let myself or Miss Tracey know.

Parking

There seems to be an ongoing issue with parking at collection and drop-off times. Our school was built a long time ago and the increase in the use of cars was not considered at the time. For that reason, we all have to do our bit to manage it the best we can. I require parents to support me in this - ways in which you can make the situation easier are:

- Ensure that you do not park on the zigzag lines outside school
- Do not park on curbs or pavements as this blocks the pedestrian routes
- If you live nearby, consider walking rather than using the car

Thank you for your continued support.

Congratulations to this week's achievers:
