

3rd March 2023 – Weekly Newsletter

Welcome Back

I hope that you all had a restful break during the half term. I have really enjoyed seeing the pupils back in school enjoying their learning. During my walks around school this week I have noticed how polite our children are to one another and to adults too. This of course fits nicely in to our school value of "Respect".

Pop-up Library

The Pop-up Library was very popular this week. We saw a record 125 books loaned out to pupils across school. It makes me so pleased to see pupils getting excited about books, talking about stories and getting access to lots of different texts. The library has nearly 400 books to loan out. In future, we have plans to extend the library to have story sacks, fine motor bags and other resources that you may borrow.

World Book Day

I would like to give a big thank you to all parents for your effort for world book day. We saw some absolutely amazing costumes across school and I know the effort that goes into them. The day itself was a great opportunity to talk about and immerse ourselves in books. The children all had a fantastic day finished off with a "Vocabulary Parade". If you haven't seen this already, you can view it on our Facebook page. It was so much fun and as usual all our pupils cheered each other on. Well done everyone!

Please ensure your child arrives on time for school.
Children that are late miss essential learning.

Congratulations to this week's achievers:
