

10<sup>th</sup> March 2023 – Weekly Newsletter

## Reading Expectations

I just wanted to politely remind parents about our expectations of reading at home. Our expectations are that pupils read three times a week at home with a parent, relative or older sibling. It is a good idea to get into the habit of doing this at a particular time (just before bed for instance). After reading, parents should then sign and date the reading record. Research indicates that parental involvement in reading can have a big impact on learning in this area, so do not underestimate how important it is.

## Comic Relief

On 17<sup>th</sup> March, we will be celebrating Comic Relief in school. As part of the festivities, we are inviting children to come to school dressed in non-uniform clothing.

To take part in this event, all children need to do is donate £1 to our Comic Relief fund. The money raised will help support people living in poverty and experiencing hardships both here in the UK and overseas. This is an excellent opportunity for your child to learn about the importance of supporting others and the value of engaging in charitable causes.

On the day, we have planned some exciting activities in class to make the day fun and enjoyable for everyone involved. We hope that all children can take part and help raise awareness for this fantastic cause.

We appreciate your continued support and look forward to celebrating Comic Relief together!

## Open Days

This half term our school will be hosting parent open days for pupils across all year groups. This is an opportunity for you to learn about the progress they have made so far this academic year.

We encourage all parents to take advantage of this opportunity to engage with your child's education, and to discuss any concerns or questions you may have with their teachers.

Thank you for your continued support.

**Please ensure your child arrives on time for school.  
Children that are late miss essential learning.**

## Congratulations to this week's achievers:
