

24th March 2023 – Weekly Newsletter

Easter Competitions

Exciting news! Our school is hosting an Easter competition for students. There are two categories: egg decorating and Easter bonnet. Deadline for entries is Wednesday 29th March. Every entry gets a prize and there are bigger prizes for the winners. Get creative and join the fun!

Ready, Set Glow

We are excited to announce our upcoming "Ready Set Glow" day, which will take place on Friday 31st March, the last day of term. This movement activity will take place under UV lights, and all children will be encouraged to join in the fun!

To make the day even more exciting, we invite children to wear neon colours, if possible, to create an even more dazzling and colourful experience. This is a fantastic opportunity for your child to express themselves and have a great time with their friends in a fun and active way.

Punctuality

We would like to remind you about the importance of ensuring that your child arrives at school on time each day. Currently, we have noticed that a number of pupils are arriving late, and we wanted to highlight the negative impact this can have on their learning and well-being.

Being punctual is crucial because arriving late means that pupils miss out on essential learning that is provided at the beginning of the day. This can have a negative impact on their academic progress and could also affect their confidence in the classroom.

In addition to the impact on academic progress, arriving late can also make pupils feel anxious and unsettled. It can be stressful to walk into a class that has already started, and this can affect their ability to focus and engage with the learning for the rest of the day.

Congratulations to this week's achievers:
