

5th May 2023 – Weekly Newsletter

Fizzy/ sugary drinks

We have seen an increase in children bringing sugary/fizzy drinks into school. Please remember to only send water or dilute juice in your child's drinks bottle to school. Studies show that fizzy and sugary drinks can cause obesity, tooth decay, and decreased concentration in the classroom. Let's support healthy habits and keep our school community happy and hydrated. Thank you for your cooperation.

Coronation Celebration

We would like to extend our sincere thanks to everyone who attended our event celebrating the king's coronation. It was wonderful to see so many smiling faces on such a beautiful day. We hope that you and your children had a great time.

The weather was perfect for the occasion, and we were thrilled to see everyone enjoying the delicious ice cream and dancing to the lively music. It was a joy to chat with all the parents and children who attended, and we appreciate all the positive feedback that we received.

We are grateful for your continued support, and we look forward to hosting more events in partnership with the Junior School.

Green School

Thank you for your generous plant donations! Our school is now a greener and happier place, both inside and out. Your contributions have helped to purify the air and create a more inviting environment for our students and staff. We appreciate your ongoing support in making our school a better place to learn and grow.

Congratulations to this week's achievers:
