

12<sup>th</sup> May 2023 – Weekly Newsletter

Congratulations to this week's achievers:

Attendance

I just wanted to politely remind parents about the importance of good school attendance for pupils. When pupils miss school, they miss out on important learning activities, and opportunities to engage with their classmates. Even a few absences can quickly add up and result in pupils falling behind.

In addition, arriving late to school can disrupt learning for all pupils. Pupils that arrive late can not only miss important learning, but can also feel anxious about walking into a classroom after all of their peers.

Transition

It is getting to that time of year when we are busy planning for pupils moving into their new year groups. Rest assured that we are carefully planning these transitions so that they are as smooth as possible. For Year 2 children we are working with our colleagues at Cockton Hill Junior School. Once we have more information we will let you know.

Bicycle Club Success

Our after-school cycling club has been a huge success! Many of our pupils are now riding their bikes without stabilisers. It's been a fun and engaging way for students to learn new skills, build confidence, and get some exercise. Cycling is a great way to stay active, explore the outdoors, and develop a sense of independence. Congratulations to all of our after-school cycling club participants on their progress and keep up the great work!

Awards for week ending 12-05-2023
