

19th May 2023 – Weekly Newsletter

Bee the Hero

We held a poster competition with Chartwells to coincide with World Bee Day. Arealia in Reception class won with her eye-catching and creative poster, which conveyed a clear message about how to help bees. We thank all the students who participated and Chartwells for their support. Bees are crucial for pollinating plants that provide us with food, and we hope this competition raised awareness about their importance. Congratulations to Arealia!

Learning Walk

During my learning walk this week, I observed some fantastic work taking place across the school. In Nursery, the children were thoroughly enjoying their dinosaur topic, creating some impressive volcanoes. Reception were engrossed in their learning about life cycles, while Year 1 were producing beautiful watercolour collages. Year 2 were practicing their ICT skills with beebots and exploring the parts of a plant through observational drawings and collages. It was great to see all the children so engaged in their learning, and we are incredibly proud of them. Well done to everyone!

Colour Run

We are excited to announce that we will be participating in a colourful event next half term! We will be holding a Colour Run, an organised race where runners are showered in various colours of powder throughout the course.

The Colour Run is a great opportunity for us to get active and have some fun. We'll be running a course that's been designed to be both beginner and kid-friendly, so everyone can participate.

We'll make sure to provide everyone with more details as they become available.

Congratulations to this week's achievers:

Awards for week ending 19-05-2023

| | Kindness | Pupil of the week | Learner of the week |
|---------|-------------------|------------------------|---------------------|
| Class 1 | Logan Buckley | Leighton Jay Brannigan | Denzel Dickson |
