Pet Therapy

As part of our offer for World Mental Health Day (Tuesday 10th October) we have arranged Pet Therapy for the children across school. This will involve each pupil having an opportunity to have a guided interaction with some animals. We recognise that some children may be apprehensive about touching an animal and we will approach this in our usual nurturing manner. This is a really unique experience that I am very pleased that we are able to provide. It fits in with 2 of our school values of "nurture" and "respect". Further information will follow soon.

Jeans for Genes Day

On Friday 22nd September we will be raising funds for the Jeans for Genes charity. On this date, pupils will be able to wear non-uniform in exchange for a small donation (£1 suggested). If any family does not have the funds to support this, please allow the child to attend in non-uniform and no questions will be asked regarding the donation. I hope this helps with the cost of living crisis.

School Values

This week in assembly we have been talking about one of our school values. Our four values are Nurture, Experience, Respect, Community! This week we focussed on nurture and the children talked about kindness. I asked them to think about a random act of kindness they could secretly do this week. This has resulted in lots of complements for each other (and for teachers) and lots of kind and friendly play.

Congratulations to this week's achievers:
