Escape Room Day

On Wednesday the children enjoyed an escape room day. It provided a unique opportunity for children to develop a range of valuable skills, including:

- Critical thinking and problem-solving
- Communication and teamwork
- Physical coordination and agility
- Time management and planning

All of the children had a fantastic day and thankfully, all pupils managed to escape. We look forward to providing similar opportunities in future.

Reading at Home

I just wanted to remind parents of the importance of pupils reading at home. It is our expectation that pupils read at home at least 3 times a week. This only has to be one or 2 pages each time. It is a good idea to get into a routine of reading at a particular time so pupils know what to expect. Older siblings, grandparents or other adults can also read with children and just need to comment in the reading record with a quick signature.

Thank you for your continued support.

Shoe Box Appeal

Next week is the last week of the shoebox appeal. An email with a list of items was sent out to parents a couple of weeks ago, however we have some checklists in the main school office if required. This is such a lovely way to help families that are less fortunate than us.

Congratulations to this week's achievers:
