Screen Time Advice

Many of our children may have got a new device for Christmas and we realise that screen time is often a concern for parents, particularly whether the amount of time children are spending on devices is affecting their wellbeing. There are a number of useful articles and guides to help you to manage your child's screen time. Please find some of them below.

Apple Screen Time

Reading at Home

Last week we sent out a letter regarding the importance of reading at home with your child. The expectation for all children from Reception to Year 2 is that pupils read 3 times a week at home. When any child in school reads their reading book at home their name goes into a box for our reading raffle at the end of the week. If you require any advice on reading with your child, please do not hesitate to get in touch. Your support on this matter is appreciated.

Communication

In the coming weeks we are going to change the way that we communicate with parents. We are going to move to an app-based system (arbor) to send important messages to you about your child. To enable use to make this transition, we are going to need to ensure that we have up-to-date contact details in terms of email addresses and telephone numbers. With this in mind, please ensure that you contact the school office to update your contact details.

Congratulations to this week's achievers:

Awards for week ending 19-01-2024

	Kindness	Pupil of the week	Learner of the week
Class 1	Sienna Rose Emmerson	Peace Ibrahim	Sophie Thompson
