Welcome Back

It has been fantastic to welcome back the pupils to school this week. I hope that you all had a restful half term despite the number of bugs and illnesses that seem to be circulating at the moment. We always have such happy pupils in school and it was a pleasure welcoming them back through the door. This week, I have had a lovely time walking through school and seeing all of the hard work pupils have been putting into their learning. I had a particularly lovely time in our nursery with our youngest pupils looking for "the giant" around school. They were particularly excited when they thought that the giant had taken Mrs Laycock to his castle because she was missing from nursery.

Arbor

We are now sending messages and other correspondence through the Arbor app. I would like to take this opportunity to thank you all with your patience whilst we have ironed out some teething troubles. All of our reminders about events will be through the app moving forward. If you have not yet signed up to the app, we would be happy to help you do this. If you do not have a smartphone device to do this, then I'm afraid that the only other option is to collect an update from school each Friday from the school office.

World Book Day

Next Thursday is World Book Day, pupils may come to school wearing their pyjamas. We also have lots of book related activities planned for the day across school. I'm sure that pupils are going to have lots of fun and will get to talk about their favourite books.

Please ensure that pupils still have a suitable coat and footwear to go outside at break time.

Congratulations to this week's achievers:
