

19th April 2024 – Weekly Newsletter

Parent Open Days

Many of you would have noticed on our calendar that we have parent Open days this half term. This will be an opportunity for you to see how your child is progressing and to ask their teacher any questions that you may have. Further information will be sent out soon.

Zoo Lab

This week we had another wonderful experience in school for pupils with Zoo Lab coming to visit. Pupils learnt lots about life cycles in addition to other facts about a variety of animals. We were lucky enough to see snakes, frogs, spiders, rats and cockroaches to name but a few.

Reading at Home

I would like to politely remind parents that we have an expectation that children read at home 3 times a week. This should be recorded in their reading record. Reading at home has a big impact on reading achievement so it is very important.

Congratulations to this week's achievers:
