

## 17<sup>th</sup> May 2024 – Weekly Newsletter

### Transition

We are all very busy in school planning for the next academic year. I just wanted to let parents know about transition to new classes and what that will look like. For current Reception and Year 1 pupils we have a number of afternoons planned where children will visit their new classroom and work with their new teacher. There will also be a transition day where pupils will spend the full day with their new teacher. You will be informed of your child's new class early in the next half term.

For Year 2 pupils we are working closely with our colleagues at the Junior school to ensure that these children get a similar amount of transition. Our Year 2 teachers will meet with Junior school colleagues to discuss key information about pupils so that their transition is as smooth as possible. We will also identify children that need extra transition and provide this.

### Parent Consultations

Thank you to everyone that attended our Parent Consultations this week. It was fantastic to see you all and discuss your child's progress. I would also like to thank you for your feedback on our parent surveys. We are always looking for develop and improve our school and we want all stakeholders to be part of that.

### After School Clubs

Next week we will be sending out letters for our new after school clubs starting after half term. Please check your child's bag for these as they will need to be returned promptly.

We do not work on a first come first served basis but instead like to prioritise children that have not yet attended a club.

## Congratulations to this week's achievers:
