

10th January 2025 – Weekly Newsletter

Welcome Back!

It has been wonderful to see all our students back in school after the Christmas break! The excitement and energy in the classrooms have been wonderful. We've thoroughly enjoyed hearing about all the fun and special moments the children experienced over the festive period. From family gatherings to holiday adventures, it's clear that everyone had a joyful time.

The children have settled back in seamlessly, and it's fantastic to see them already engaging in their learning with enthusiasm. We are looking forward to another term filled with growth, learning, and lots of fun!

Thank You for Your Patience

We would like to thank all parents for their patience during collection times this week. The ice and snow have caused some disruption, and we appreciate everyone following the guidance we've shared. Your cooperation has helped ensure the safety of all involved. Thank you for your continued support.

Class 2's Letter

This week, I received a lovely letter from Class 2. They kindly asked if we could have the "animals" back in school sometime, recalling the exciting visit we had from the zoo lab, where we saw spiders, tortoises, and other fascinating creatures. I promised the class I would look into arranging another visit, and I'm excited to say that I'm working on making it happen! Stay tuned for more updates – it looks like we may have some new animal friends in school soon!

Congratulations to this week's achievers:
