

Nurture Experience Respect Community

14th February 2025 – Weekly Newsletter

Valentine's Disco

Today, our school held its annual Valentine's Disco for pupils from Nursery to Year 2. The children came dressed in their disco clothes and enjoyed dancing and playing games.

The event went smoothly, with students participating in various activities and spending time with their friends. It was a pleasant occasion for everyone involved.

Thank you to the teachers and staff who organised the event. Your efforts are appreciated.

Happy Valentine's Day

Wraparound Care Initiative

We are excited to announce that our school is considering the introduction of wraparound care, potentially starting in the summer term. This initiative aims to provide extended care for our students, offering a safe and engaging environment beyond regular school hours.

To gauge interest and ensure we meet the needs of our community, we will soon be sending out a survey to all parents. Your feedback will be invaluable in helping us plan and implement this service effectively.

We appreciate your participation and look forward to hearing your thoughts.

Thank you for your continued support

Safer Internet Day 2025

On Tuesday, our pupils participated in Safer Internet Day, focusing on the theme, "Too good to be true?" The children engaged in a whole school assembly where they learned about protecting themselves and others from online scams.

Throughout the day, students produced some lovely work, reflecting their understanding of online safety. It was a valuable experience for everyone involved, reinforcing the importance of staying safe in the digital world.

Congratulations to this week's achievers:
