

Nurture Experience Respect Community

5th September – Weekly Newsletter

Congratulations to this week's achievers:

Welcome Back

We have had a short but busy week in school. It has been fantastic to see our new starters in Reception and Nursery settle so well. We are very proud of them! Further up the school we have seen our oldest children settle into Year 2 and become excellent role models. Year 1 pupils have also settled in nicely. Walking around school this week we have seen lots of pupils working hard, being kind and enjoying their learning. This is such a great start to the year.

Arbor

New parents to our school should have received an invite via email to download the Arbor app. We send many of our messages to you via this app so it is very important that you download it and **switch notifications on**. Through this app you can also update contact details and send messages to us. If you require any support with downloading or using Arbor, please call in to the school office and we will be happy to help.

5 th Class 3	94%	6 th Class 4	83%

*** Whole School – 94.5% **

Attendance Matters

We'd like to remind all parents and carers of the importance of good school attendance. Every day in school helps your child learn, grow and thrive. If your child is absent, please remember to call the school each day they are off. This helps us keep accurate records and ensures your child's safety. Thank you for your continued support in helping your child get the most out of their education!!

During collection time please leave the school yard as promptly as possible to reduce congestion. Thank you.

Looking ahead

- Tuesday 16th September - Open Evening after school for parents & children starting school in September 2026 (next year)
- Wednesday 17th September - Jeans for Genes Day (details to follow)
