

# Nurture Experience Respect Community

26<sup>th</sup> September – Weekly Newsletter

## Lost Property Reminder

We've recently collected a large amount of school uniform in our lost property. To help us return items to the correct owners, we kindly remind parents to clearly label all school uniform with your child's name. This makes it much easier for us to reunite lost items with their owners. Thank you for your cooperation in helping us keep lost property to a minimum!

## Mathematical Fluency Sheets

This week, you should have received a leaflet outlining the mathematical fluency work your child will be focusing on this half term. It includes simple, practical activities you can do at home to support your child's fluency in maths. Although we will be sending home the fluency sheets next week, they are already available to view on our school Facebook page. Looking ahead, we hope to invite parents into school to take part in these activities alongside their children. Thank you for your continued support.

## Important Notice for Year 2 and Nursery Parents

If your child is currently in Year 2 at Cockton Hill Infants' School, it's time to apply for their Year 3 place at a junior school for next September. Applications are now open, and it's essential to submit them as soon as possible to secure a place for your child's next stage in education. Additionally, if your child is in Nursery and will be eligible to start Reception next September, applications for Reception places are also now open. Please visit the local authority website to apply, and if you have any questions or need assistance, feel free to contact the school office. Don't miss these important deadlines!

Congratulations to this week's achievers:
