Thank You to Our Year 1 & Year 2 Parents

A big thank you to all the Year 1 and Year 2 parents who joined us for our Parents' Open Days this week. It was a wonderful opportunity to share how proud we are of the children's progress and achievements. Your support and involvement mean so much, and we truly value the chance to talk with you about your child's learning journey.

Maths Fluency at Home

This week on our Facebook page, we've shared our Maths Fluency Sheets for this half term. These outline the key fluency skills children are learning in class and include simple, practical activities that families can do at home.

Most activities need little or no resources, and even a few minutes of practice can make a big difference. Thank you for supporting your child's learning—every bit helps build confidence and fluency in maths!

Permission slips have gone out to children for the Pantomime Trip – please return these as soon as possible.
Thank you.
