

# Nurture Experience Respect Community

16<sup>th</sup> January – Weekly Newsletter

Congratulations to this week's achievers:

## Year 2 Get Creative with Robot-Themed Literacy Lessons

Year 2 have been thoroughly enjoying their recent work on robots as part of their literacy learning. The children have been exploring the imaginative story *Gussie Goes Bonkers*, which has inspired plenty of lively discussion and creative ideas.

As part of this work, the children teamed up to produce their very own iMovie trailers based on the story. They had a fantastic time acting out key scenes, using expression, movement and plenty of enthusiasm to bring the characters to life.

This hands-on activity not only sparked their creativity but also helped to develop important skills in speaking, listening, teamwork and confidence. Well done, Year 2—your hard work and imagination really shone through!

## Reception Places Available – Help Us Spread the Word

We are proud of the warm, caring and inspiring environment we offer at Cockton Hill Infants' School, and we know many families choose us because of recommendations from our school community. We still have spaces available in Reception this year, and we would really appreciate your help in letting others know. If you have friends, neighbours or family members with children due to start school, please encourage them to get in touch or arrange a visit. Your support in spreading the word makes a real difference, and we are always delighted to welcome new families to our school. Thank you for helping our community grow.

## Reminder for Year 2 Parents: Junior School Application

A quick reminder to all parents of Year 2 children – please ensure you complete your application for your child's move to the junior school. The deadline has passed, however if you call into the school office you can complete a form and we will send this in for you. It's important that all applications are submitted to secure a place. If you have any questions please don't hesitate to contact the school office. Thank you for your attention to this matter!
